

TIPS FOR SUBMITTING A SUCESSFUL HEADSHOT:

- + Please submit a picture of you ALONE.
- + Make sure your face is CLEARLY VISIBLE in the photo
- + Make sure you are CENTERED in the photo (leave clear space around your face)
- + Please DO NOT CROP an image before submitting
- + The best photos include the area starting from the chest and include clearance above the top of the head (think similar to a passport photo - looking straight ahead with clear space on ALL SIDES of your face. Please refer to the example above. *Beard and glasses optional.*)
